Jolly Well Done to Emmaville's Amazing Footballers

Blaydon and District Year 5/6 Mixed Football

Congratulations to the Emmaville Year 5/6 Mixed Football team who finished the 2025-26 season by winning the Blaydon Plate. After a long season that started in September with the Blaydon & District County Cup, and has included the B&D County Cup Finals and three rounds of B&D League fixtures, culminated in the Blaydon Plate success, the team can be extremely proud of themselves. All ten players have been a credit to themselves and Emmaville. Their attitude has been excellent and they have played great football. It was lovely to end the season with the success the quality of their play and attitude has deserved. Well done team Emmaville.

Mr Elliott

Friday 15th May '26

Many thanks to the families of the Y5 children for joining us last Friday for the children's class assembly. The children did a great job taking us back in time to share what they have been learning in their history lessons throughout the year. I was also impressed with their singing. They will have a further opportunity to put their vocal cords to good use when they participate in the Big Sing event that takes place at the Glasshouse on the 9th July.

This week our Year 6 children have been completing the Key Stage 2 tests. Leading up to the week, the children have practised and prepared for their Grammar, Spelling, Reading, Arithmetic and Maths Reasoning papers. Each day this week, they have opened their papers, heads down, and have just cracked on with the test; we could not have asked for a better growth mindset from them. We are extremely proud of them, and they should all be congratulated for trying their very best, which is all we ask. As a little treat for such determination and effort, they are off to Namco today to let off some steam, and to have some well-deserved fun! A big shout out too for the staff who have helped the children get ready for the week of tests.

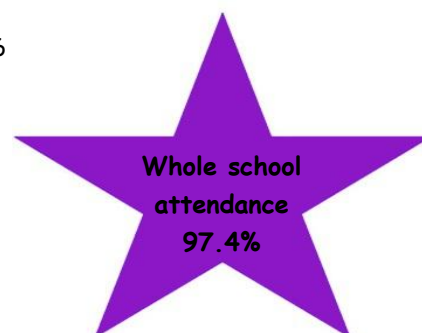

Included in this week's bulletin are dates for your diaries.

Enjoy the forthcoming weekend.

Avril Armstrong

School Attendance - Week Ending 08.05.26

Year 6: North America	99.3%	South America	99.1%
Year 5: Antarctica	98.9%	Oceania	96.8%
