WORKING IN PARTNERSHIP WITH PARENTS

The Gateshead Athletics Festival at Gateshead International Stadium

It was that time of year again that we all look forward to at Emmaville: The Gateshead Athletics Festival! On Friday, we took a team of twenty-three athletes to compete against forty-eight other schools across thirty-four events at the fantastic Gateshead International Stadium. And what a day it was! Our children were amazing from start to finish in both their events and the way in which they conducted themselves. Every single Emmaville competitor gave their all, showing determination, ability and sportsmanship. Over the course of the day, Emmaville athletes won heats, semi-finals and finals, and eventual came away with eight medals; four gold and four silver.

Newcastle United Foundation Girls Only Football Festival

On Monday, eight girls from Year 4 had a fantastic time at the Newcastle United Foundation Girls Football Festival. They played three games against other schools in the state-of-the-art facilities and were brilliant. They worked hard, passed the ball well, attacked and defended as a team, they made some great tackles, and scored some fab goals. The girls' attitude was excellent and they had a thoroughly great time. The players now cannot wait for their next opportunity for competitive football.

Threadworms

Threadworms are very common in children and spread easily. Could we please ask if your child has either the symptoms or the infection, that everyone in your household be treated straight away as there is a high risk of the infection spreading. Medication is available at pharmacies without a prescription. It is also important to make sure that all children wash their hands thoroughly after using the toilet.

Let's Get Walking!

Emmaville School Council are setting their fellow pupils the challenge of completing a walk before the end of term! They have already held an assembly explaining the challenge and the benefits of taking part in the challenge.

What is the challenge?

The challenge is to complete a walk before the end of term and take a picture of yourself enjoying your walk.

Then, upload a picture onto Seesaw so that you can share information and pictures of your walk with your friends.

The School Council wish to highlight, that this is not a competition! Everyone who takes part is a winner 😊

So, let's get walking! Your walk might be around your local area or exploring a new area.
