

Geography and History Curriculum for Year 3 and Year 4 children

Year 3 - 2020	Term 1	Term 2	Term3
Week 1 (Geography)	21st September Physical processes that affect the lithosphere: Erosion and deposition Example 1: Rivers (main features and processes)	4th January Human processes: Trade Example1: Food - main foods in UK supermarkets and where they are sourced	19th April Physical processes that affect the atmosphere: The water cycle Evaporation, condensation, precipitation, run-off
Week 2 (History)	28th September Changes from Stone Age to the Iron Age	11th January Changes from Stone Age to the Iron Age	26th April Changes from Stone Age to the Iron Age
Week 3 (Geography)	5th October Continued from week 1	18th January Continued from week 1	3rd May Example 1: Types of precipitation
Week 4 (History)	12th October Changes from Stone Age to the Iron Age	25th January Anglo Saxons	10th May Changes from Stone Age to the Iron Age
Week 5 (Geography)	19th October Rivers of the UK	1st February Example 2: Fossil fuels - oil and its trade between countries	17th May Example 2: Types of clouds
Week 6 (History)	2nd November Anglo Saxons	8th February Anglo Saxons	24th May Anglo Saxons
Week 7 (Geography)	9th November Example 2: Coasts (main formations - caves, arches, stacks, loss of land)	22nd February Human processes: Settlements Example 1: Settlements in urban areas (patterns and features)	7th June Example 3: Extreme precipitation - monsoon, hurricane (cyclone)
Week 8 (History)	16th November Anglo Saxons	1st March Vikings	14th June Vikings
Week 9 (Geography)	23rd November Coastal erosion problems in the UK	8th March Example 2: Settlements in rural	21st June The human effects of monsoon and hurricane (case

		areas (patterns and features)	studies of Bangladesh and Haiti).
Week 10 (History)	30th November Vikings	15th March Vikings	28th June Vikings

Year 4 - 2020	Term 1	Term 2	Term3
Week 1 (Geography)	21st September Human processes: Transportation Example 1: Movement within cities (walking, cycling, buses, trams, cars)	6th January Physical processes that affect the lithosphere: Earthquakes and volcanoes Example 1: Plate tectonics introduction	19th April Physical processes that affect the atmosphere: Climate change Example 1: An introduction to the difference between weather and climate. The theory and evidence of climate change caused by human behaviour
Week 2 (History)	28th September The Roman Empire's impact on Britain	13th January The Roman Empire's impact on Britain	26th April The Roman Empire's impact on Britain
Week 3 (Geography)	5th October Example 2: Movement within a country (cars, trains, coaches, aeroplanes, canal boats, plus examples from around the world - e.g. rickshaw).	20th January Example 2: Location of the majority of the world's volcanoes	3rd May Examples of the effects of climate change: Glaciers, sea levels and temperatures
Week 4 (History)	12th October The Roman Empire's impact on Britain	27th January The Tudors and Stuarts	10th May The Roman Empire's impact on Britain
Week 5 (Geography)	19th October Continued from week 3	3rd February The human effects of volcanic eruptions	17th May Continued from week 3

Geography and History Curriculum for Year 3 and Year 4 children

Week 6 (History)	2nd November The Tudors and Stuarts	10th February The Tudors and Stuarts	24th May The Tudors and Stuarts
Week 7 (Geography)	9th November Example 3: Movement between countries (trains for continental; aeroplanes and ships for island to island or inter-continental)	24th February Example 2: Location of the majority of the world's earthquakes	7th June Physical processes that affect the hydrosphere: Ocean circulation. Example 1 - Ocean currents Example 2 - Plastic pollution
Week 8 (History)	16th November The Tudors and Stuarts	2nd March The Ancient Egyptians	14th June The Ancient Egyptians
Week 9 (Geography)	23rd November Continued from week 5	9th March The human effects of earthquakes.	21st June Human attempts to slow climate change and to reduce plastic pollution.
Week 10 (History)	30th November The Ancient Egyptians	16th March The Ancient Egyptians	28th June The Ancient Egyptians

In Year 4 - pupils will study a short topic where they will compare a non-European society with British history chosen from:

- Early Islamic Civilisation
- Mayan Civilisation
- Benin
