## WEEKLY NEWS BULLETIN

WORKING IN PARTNERSHIP WITH PARENTS

What an amazing time we all had at the King's Coronation Celebrations

### Orienteering at Kingsmeadow School

On Wednesday, 20 children from Year 3 attended an Orienteering event at Kingsmeadow School. This was a fantastic event which involved the children taking part in a variety of team building and problem solving activities and also completing an orienteering course on the grounds of the school.

The problem solving activities included games such as; 'Nail drop' where the children had to try and balance as many nails on top of one nail without any touching the floor. 'Hoops'- the challenge was for the children to work as a team to try and complete the distance of a course using only hoops and 'Paper drop' a game which involved the children trying to catch a piece of paper before it hit the ground but only if their name had been called.

The orienteering course was completed on the grounds of the school and the children had to work as a team to read the map and locate the marked points. Once they had found the correct location, they then had to find a piece of paper with a number and a word and this was noted down. This was a timed event and one of Emmaville's teams won third place, bringing home some medals- which we were all extremely happy about!

The children showed amazing team work and communication skills and we are so proud of their hard work. It was a wonderful day and we all had lots of fun.

Mrs Graham

#### School Attendance Week Ending 05.05.23

Year 6: North America	98.5%	South America	97.1%
Year 5: Antarctica	94.4%	Oceania	98.3%
