

# Whole School Singing Focus Year A 2026-2027

To help us to increase our children's experience of music, we would like the whole school to focus on songs to use in assemblies and whole class singing. Please continue to use your own songs and singing games as part of music lessons.

Please find the resources listed in the table on the School System under Resources- Hymns and Songs

Please note – we are using the listed songs to complement the Jigsaw PHSE Units, rather than the songs produced by that scheme.
