WEEKLY NEWS BULLETIN

WORKING IN PARTNERSHIP WITH PARENTS

Last half term, we were contacted by a member of the team at the Church of the Holy Spirit asking if our School Council would be interested in doing some planting in Crawcrook's new community garden.

The School Council were delighted to accept the invitation and on Thursday afternoon, Miss Kenyon and Mrs Richter took the school council to the garden where the pupils planted a variety of seeds including; courgette, carrot, pea and radish seeds. As well as this, the children also planted a pumpkin plant and some potatoes. Finally, the School Council helped to water the seeds and plants and listened carefully as Mrs Richter gave them some useful tips on how to care for new seeds.

The children absolutely loved spending time in the community garden and it is a very welcome addition to Crawcrook, that will hopefully be enjoyed by our pupils and the wider community.

Hello everyone,

I hope that you are all enjoying the wonderful sunshine that we are currently experiencing. However, when the temperature soars, keeping the children safe in the sun is a priority to us all. We suggest that in extreme weather the children should have factor 50 sun screen applied before they come to school in a morning. We also suggest that children bring sun screen to school so that they can reapply it during the day. Please be aware that the children will need to apply the sun screen themselves and they must not share their lotion with any other child. It would also be a good idea if children wore a cap/hat and sunglasses during the summer months.

School Visits

It is really important that we receive parent/carer consent forms for visits. If we do not receive consent forms then this may result in children not being able to attend a visit and we would hate that to happen. Unfortunately, a phone call to school is not acceptable, we must have consent in writing.

Diary Dates

Another couple of dates to add to your diaries for the term.

Friday 16th June - Northern Europe to participate in the 1st of 3 sessions on the Wonders of Wellness.
(2nd session Friday 23rd June, 3rd session Friday 30th June)

Tuesday 20th June - A team of pupils from Y3 and Y5 will participate in a County Quadkids tournament. We are thrilled that the children have managed to progress to the County event and we wish them the very best of luck.

Wednesday 5th July - Year 2 pupils will visit Seven Stories

Thursday 6th July - Year 4 pupils to visit Vindalanda and the Roman Army

Staff News

As Miss Brewster is retiring from her post as Assistant Headteacher on the 31st August this left a vacancy for an Assistant Headteacher. I am pleased to announce that Miss McPherson will take up this post when she returns to school from maternity leave. Miss Woolard has now joined the Senior Leadership Team taking up a TLR post.

The future Senior Leadership will consist of the following members of staff:

Avril Armstrong - Headteacher

Maggie McKenna - Assistant Headteacher

Beth McPherson - Assistant Headteacher

Kit Saddington - TLR

Katherine Wallace - TLR

Jessica Woolard - TLR

Curtis Lightfoot will be leaving us on Thursday 22nd June and we wish him the very best of luck in his future adventure. We are currently in the process of recruiting a Site Manager.

Have a lovely weekend when it arrives.

Dear Dad

You won't believe what happened today! I met a slimy Alien from Poison Planet. It started as a Poison egg. After that, it grew a tail. Then it grew some legs. Later on it grow's two arms and a couple of minutes later all the stuff that it grew went away and it grew wings. Finally it got all the stuff back with the wings.

The Holly bush

One step at a time, Ondina crept away from her teacher. At the bottom she paused but all she could hear was her teeth chattering like a horse. She'd be back befor they noticed she was gone.

Five minutes later, she entered Horror Woods. Her lantern found the path and freaquently flicked to show her the bats eyes. Dark trees had covered the moon. Not long after, she came to the scraps of the Holly bush. On the bush the leaves were rotten and falling of. Overgrown rose bushes blocked the path with moldy leaves.

A month ago, me and my dad went all the way to London to go see Justin Bieber as this was the only time he was coming to England for his 'Justice' world tour.

At 9:45, me and my dad hopped onto the 10A bus to Newcastle. I could feel the rush of excitement throughout my body as the bus bobbed along the streets. The bus slowly came to a halt outside Central Station. We got off and made our way over to the platform. Our train was a azuma, due to leave at 11:00.

The train screeched up next to the platform and the doors slid open.

How to brew a polyjuice potion

A polyjuice potion transforms the person for 1 hour or more at a time. Heres is how to brew one potion:

- Part of the thing that you want to into,
- 1 pint of acormantula venom,
- The stem of a hexed pumpkin,
- 1 ground basilisk fang,
- 1ml of felix felicius (Add more if you want extra time as the thing),
- And three phoenix feathers.

How to brew:

First, drop the ground basilisk fang slowly into the cauldron. It should taste quite bitter.

Next, heat the acromantula venom for 1 week, then pour it in. If you don't heat it, you'll drop dead shortly after transformation. After that, add the stem of the hexed pumpkin, preferably cut at midnight to max out the potion's effects. Then add 3 phoenix feathers from the same phoenix. If not, you will freeze and die. Next, add the felix felicius. Remember, the more you add, the longer you are transformed.

Finally, add the part of the person or thing you want to turn into to the mix. Hair is best, but you can use anything from a nail to blood. Leave to brew for 3 months. And there you have it, 1 polyjuice potion ready for tricking friends and family. Slip some secretly into someone's drink for loads of laughs. Good luck!

Dear diary,

I can't believe it! I've won the hot air balloon ride! A hot air balloon ride has been my dream for as long as I can remember; no words can describe how excited I am. I know this is a once-in-a-lifetime, so I'll take as many pictures as possible to show my friends.

My mother told me that I need to get as much rest as possible, but I'm just too hyper to sleep. When I had won the hot air balloon ride, I didn't believe it at first, then I became overwhelmed with joy.

It's quite scary when I think about it, the thought of a sudden weather change while in the air, creates a knot in my stomach. My parents reassured me that nothing would go wrong, so I should just enjoy the moment. I can't stop thinking of how beautiful the view will be, seeing the world from a completely new angle.

New Parent and Carer Support Line

NECS knows that sometimes parents and carers may be concerned about the emotional wellbeing of their children. Since our launch in 2006, we've experienced a steady increase in children accessing, and benefiting from, counselling. This has been even more so over the last 2 years as we move through the impacts of the COVID-19 pandemic.

Research shows that 50% of all adult mental health problems start before the age of 14 and 75% start before the age of 21. Improving the emotional wellbeing of our children is a key part of supporting the wellbeing of our entire population.

It's hard for a parent or carer to see their child struggling. Sometimes, it's difficult to know what to say or do, or where to get support from if it's needed.

NECS works with children who experience a range of issues that impact their emotional wellbeing and their day-to-day lives. This means we have experience of knowing what this creates for parents and carers and how we can support them too.

Because of this we've developed a confidential parent and carer support line to provide a listening ear for those who feel they would like some help and guidance.

If you feel you'd like to speak to one of our qualified counsellors, call us on 0333 358 3040 from 1st April 2022.

We're taking calls from Monday to Friday between 10am – 2pm.

You're also welcome to leave a message outside of these hours to request a call-back during our opening times.

It's important to note this service is not a crisis line. If you are in crisis, call 111 or 999.
