Non-Uniform Day

Friday 22nd November

As part of our 'Go Green' initiative, we, at Emmaville, will be uniting with children and teachers across the country and taking part in a non-uniform day raising money for the Just One Tree charity.

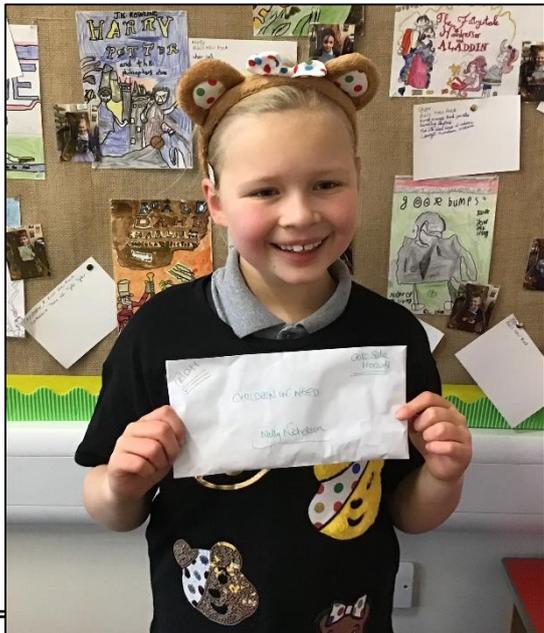

The suggested donation for each child is £1 - the cost to plant a tree.

By taking part in this we hope to help the children understand the impact JUST ONE individual can have on the environment and how much can be achieved when we collectively work together.

To find out more about the Just One Tree organisation please follow this link

<https://www.justonetree.life/schools-sustainability.html>

We have attached the 'JUST ONE TREE' information pamphlet to the bulletin for you to read.

Another example of the caring children we have at Emmaville. Molly (Asia) decided to hold her own cake sale around her neighbourhood over the weekend. She managed to raise £23 for Children in Need. What a superstar - a brilliant effort.

Miss Brewster.

Reception - Librarian visit

The Reception children loved the visit from Maria at Crawcrook Library last week. It was also great that lots of mums and dads and grandparents could make the story session too. Maria brought the children their own Booktrust Time to Read packs and read them a hilarious story. We hope that this visit has increased the children's love of books even more... hopefully you can make use of our fabulous local library by taking your child to join and to choose lots more wonderful books.
